Big Bounce Impatiens

Introducing Big Bounce! This Exciting new shade alternative offers the habit and flower count of Impatiens, but they're resistant to downy mildew and thrive in sun and shade. Even better, the well branched plants bounce back like magic after wilt. Grows 20-30" tall. These are comparable to Sunpatiens!

Osteospermum

(Osteospermum x hybrid)

Blue Eyed White

Lavender Shades

Full to Partial Sun requirements, cold and drought tolerant. Has colorful, daisy-like flowers. Grows 12-16".

Purple

Petunia

(Petunia x hybrid)

Limbo Blue

Limbo Red

Limbo Rose

Performs best in full sun. Prefers well-drained soil. Will take a light frost. Butterfly attractant, has a medium salt tolerance. Grows 10-12", best results if planted with more separation 12-14", this will decrease occurrence of disease from lack of air movement and water residue.
